A station you want to listen to is not listed on your radio or the online portal

Pure Support - UK - 2018-11-29 - in Elan IR3 and IR5

You can suggest a station on the vTuner website

<http://vtuner.com/setupapp/guide/asp/BrowseStations/startpage.asp>

This can also be done on the Pure Select App on an Apple or Android device

- 1) Go to list of devices. If not listed tap the drop down icon at the top of the screen
- 2) Tap on cog icon in bottom right
- 3) Select 'Internet Radio station suggestion'.
- 4) This opens the page in your web browser on your phone
