Set up -Not the first time logging into the Pure Connect App but want to add another Jongo to your network (Android only)

Pure Support - UK - 2018-02-06 - in Wireless Music Systems

1. Make sure your Jongo is switched on
2. Open the Pure Connect App and sign in
3. Open the settings menu
4. Tap **set up Jongo** and follow the on screen prompts
5. You are now connected for instructions to start streaming music from the Pure Connect App click [here](#)
