Adding stations to the O2 Joggler

Pure Support - UK - 2019-02-23 - in Internet Radios and Pure Connect / The Lounge

Adding stations to the O2 Joggler

The Joggler has a fixed number of stations determined by O2 and you are not able to add your own custom stations to it. The amount of stations available on the Joggler is predetermined by O2 themselves. Any station enquires should be made to OS themselves.
