In the province of Bolzano, the programs in DAB will be broadcast in new standard DAB+ (Excluding UK Customers)

Pure Support - UK - 2015-12-14 - in DAB Specific

From 15 October 2014, in the province of Bolzano, the programs in DAB will be broadcast in new standard DAB+ (For more information

visit http://www.ras.bz.it/it/tv_radio/dab.htm or http://www.ras.bz.it/de/tv_radio/dab.htm)

If you do not receive some of the programmes but your receiver is new, you may have to auto tune your radio.(read the instructions for your device or download them in .pdf format here <http://support.pure.com/it/files.php>)

If when you have completed this operation if you are still not receiving programmes in DAB+ you may have to upgrade your device. Please note the software upgrade may not be possible on all receivers.
