## News: Pure Sounds

Pure Support - UK - 2019-02-21 - in Internet Radios and Pure Connect / The Lounge

Pure strives to provide a first class and industry leading experience for our customers. For the last eight years, Pure has provided, Pure Sounds to complement its dedicated radio and media portal free of charge. Unfortunately, due to circumstances outside of our control, this service will no longer be made available. We do appreciate that this will be disappointing news to those affected by the closure.

Customers should be aware that the last day you can access Pure Sounds will be 31st July 2016.

With a strong history and heritage in digital radio, Pure will focus its efforts on continuing to develop world class digital and internet radios for its customers. To see our latest range visit [www.pure.com](http://www.pure.com)
