Password resets important note

Pure Support - UK - 2017-07-20 - in Warranty Terms and Conditions

When you change your password at www.pure.com/registration this has no effect on previously created Pure Connect accounts. The Pure Connect desktop site has been closed read more [here](#)

www.pure.com/registration is not linked to connect.pure.com or accounts.pure.com (These are no longer active sites)

If you create an account at www.pure.com/registration this allows you to see all your registered products and allows Pure to tell you out about the latest updates and accessories for your product and forward details of our latest special offers and competitions

Please note: Registration is not your warranty. Please keep hold of your receipt and if you ever did need to make a warranty claim we would require the receipt.
