The DAB programs will be aired in the new standard DAB+ in Italy.(Excluding UK Customers)

Pure Support - UK - 2015-12-14 - in DAB Specific

From 27 th of September 2013,the programs in DAB will be broadcast in new standard DAB+(for more informations, please click here _

<http://www.rairway.it/index.php?lang=IT&cat=144&showINFO=183>

Having said so, it could mean that in order to still receive digital radio transmissions you may have to update the radio.

If you have a Pure Highway,One Elite, Evoke1s or Elan II; please click on the link below

<http://upgrades.pure.com/uk/update>

Please be aware that the older radio models developed before the launch of dab+' will not be able to recive the DAB+ stations .

If you have another Pure product which doesn't have radio coverage; please contact us on the following website <http://support-uk.pure.com/new-ticket> so we can advise you on how to update your device; if doable.
